N.B.—The quantities noted are approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him, which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1938. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1938. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments from the date of their falling due up to the date of payments at 6¼ per cent per annum.

Abstract Notification dated 15th November 1937.

The attention of the public is invited to the detailed Notification published on pages 1969-1970, Part VI of the *Mysore Gazette*, dated the 25th November 1937, regarding the auction sale of timber in the following depots :—

	Date of Sale.
Tarikere ..	.. 20th and 21st December 1937.
Bhadravati	.. 22nd December 1937.
Chennagiri	.. 23rd December 1937.

Notification dated 29th November 1937.

Sealed tenders for cutting small bamboos and carting them to the Mysore Iron and Steel Works Tramway Sidings and delivering the same loaded in trucks for supply to the Paper Factory at Bhadravati will be received by the District Forest Officer, Bhadravati Division, up to 4 P.M., on 22nd December 1937.

2. Each tender should be superscribed as "tender for cutting and supply of small bamboos to the Paper Factory" and should be accompanied by a deposit of Rs. 50 in currency notes, for each coupe. In the case of large coupes tenders for half the coupe will also be allowed.

3. The coupes in which bamboos have to be cut, the approximate yield from each coupe and the name of siding to which the bamboos have to be carted are detailed below.

4. Rate should be quoted per truck-load for cutting and cleaning bamboos, carting them to siding and loading them into trucks in 9 feet lengths. The dimensions of bamboo load in each truck are 27 feet long, 6 feet wide and 5½ feet high.

5. The Conservator of Forests, Shimoga, will be at liberty to accept or reject the lowest or any other tender without assigning any reason therefor.

6. Within 15 days of the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 100 and execute a bond on a duly stamped paper binding himself to the conditions noted below, failing which the earnest money already paid will be forfeited to Government and the contract cancelled.

7. The contractor should start supply from 15th January 1938 and complete the quantity tendered by him by 15th June 1938, maintaining a proportionate regular daily supply. In the case of contractors whose work has been quite satisfactory, they may be, at the discretion of the Conservator of Forests, allowed to continue their work next year also, the alteration in the rate of payment and unit of delivery being left to the decision of the Conservator of Forests.

The coupes to be worked and the approximate outturn of small bamboos expected are detailed below. Maps of the coupes will be shown to the tenderers at the District Forest Office.

Name of Forest	Number of coupes	Approximate area in acres	Yield of bamboos expected in tons	Average distance of carting to siding.
Umblebyle	1	500	1,000	1 mile
Kakanhosodi	1	830	2,000	1½ miles

Antargange	1	500	500	1½ ,,
Kukwada-Ubrani	1 (*a*)	2,350		
	1 (*b*)	2,350	6,500	1¼ ,,

Conditions.

(1) Bamboos cut may be of any length but should be delivered on trucks in correct 9 (nine) feet lengths. The thin end of the bamboo should not be less than ¾ inch in diameter.

(2) The bamboo should be delivered loaded in the Mysore Iron and Steel Works' Trucks and closely packed. Payments will be made on the volume of the stacked material in units of truck-loads of the dimension 27′×6′×5½′. Deductions for bad packing and voids will be made at the discretion of the District Forest Officer or any officer deputed by him. The details regarding the approximate number of bamboos that go to make a truck-load and its weight, etc., will be intimated to intending tenderers at the District Forest Office, Bhadravati.

(3) No bamboo fellings will be allowed to be conducted between 1st July and 31st of October to avoid damage to new shoots, which come up in this season.

(4) No bamboos under four years old should be felled. The extraction should be confined to culms 4 years and over in age. These mature bamboos can be made out by the absence of waxy bloom and bracts and presence of big dark blotches and yellow patches in the green. In no case should fellings exceed two-thirds the number of existing culms. The contractor is liable to be fined by the District Forest Officer if younger culms are cut or his contract cancelled on a repetition of such fellings.

(5) Culms should be cut at a height of 6″ to 12″ from ground just above a node so that rain-water may not collect in the inter node. The cut should be clean.

(6) In extracting bamboos care should be taken not to break or injure the new young shoots. The contractor is liable to be fined at the discretion of the District Forest Officer for any serious damage to new shoots.

(7) Fellings should be restricted to big and dense clumps. Open clumps containing only a few bamboos should not be cut.

(8) Culms left uncut should be left evenly distributed in the clump. Heavy cutting on one side of the clump is strictly prohibited. Cutting on the periphery of clumps should be avoided. All dead bamboos found should be removed from the clumps by the contractor, but should not be included in the supplies.

(9) All malformed and diseased culms should be removed, the culms left should be vigorous and healthy.

(10) In extracting bamboos, the contractor should not fell, cut or damage any surrounding tree growth.

(11) Cutting bamboos should be taken up in a methodical manner from one side of the coupe. Working in patches here and there or outside the coupes is prohibited.

(12) If any bamboos are cut above a foot in height, an amount to be specified by the District Forest Officer will be deducted from the bills of the contractor.

(13) The tenderer should not sublet this work without the previous sanction of the District Forest Officer. The contractor or his duly authorised representative must be at the work-spot always.

(14) The contractor will be responsible for the acts of his staff. A list of agents appointed should be furnished and the contractor or one of his agents should personally supervise the work.

(15) The instructions issued by the Range Officer in charge should be adhered to.

(16) No advance under any circumstances, will be granted for the work. Payments will be made only on bills supported by receipts for the material, once a fortnight.

(17) If the contractor fails to supply the daily stipulated quantity, his contract is liable to be cancelled forfeiting the security amount and making him responsible for all losses that might occur in this behalf.

(18) Temporary cart-tracks should be got done by the contractors themselves at their own cost.

(19) The orders of the District Forest Officer in all matters connected with the supply of bamboos will be final and in case of any breach of the rules, he may fine the contractor to the extent of Rs. 25.

(20) The contractor shall abide by the rules of the Department as regards kindling of fires and shall hold himself responsible for any forest offence that may be committed by himself, his agents, employees or workmen.
